Mr. E. Bell Esq.
Supervising Architect

Dear Sir,

We are shipping the Lattice Work for the Vault
in the Post Office at Philadelphia, and will send one
man on to place it in position.

Will you please order the wood work now in the Vault
taken out so there will be no delay when our man gets there

We are

Sir:

Please find enclosed copy of letter from
Hall Safe and Lock Company, stating that they
are shipping the lattice work for vault in the building
in your custody to be used for the storage of Standard
Silver dollars.

You are authorized to remove the wood work at
present in the vault, and store it in the building,
submitting vouchers in duplicate for any expense atten-
ding the removal, made payable from the appropriation
for Vaults, Safes and Locks for Public Buildings 1886

Please notify Supt. D. M. Fox that the lattice work
is about to be placed in position

Very Respectfully

(Signed)

C. S. Fairchild
